1) Update on Spaceport proposition

Timescales look to be changing with the bidding process now likely to begin in January 2015.

Consultants being re-commissioned next week, by Highlands & Islands Enterprise (HIE), to look at stakeholder engagement for all four sites in the HIE area, developing a regional proposition. From this, the MEP can form a supportive local proposition.

The need for an engagement / communications strategy was stressed and various UK and Scottish press contacts discussed. GS to invite DO to scheduled catch up meeting with Platform PR, to discuss. Suggestion made to possibly have a speaker attend Moray Business Week. Engagement with Kinloss and Findhorn Community Council should begin soon, with Forres Community Council to follow. DO meeting with Angus Robertson MP and Richard Lochhead MSP at the end of November.

Input from other groups within the Moray Economic Strategy to be encouraged. DO to attend group meetings where possible to discuss. JJ and/or GS to update Programme Managers at the Programme Managers meeting on the 20<sup>th</sup> of November.

Next steps for the group – start developing a local communications and engagement plan. Push forward with press contacts.

2) Date of next meeting

Week commencing 10<sup>th</sup> November, to discuss local communications and engagement plan.
